Student Handbook
All Abbey College Australia students will have access to a copy of this handbook. In it are some guidelines on what is expected in the way of behaviour whilst undertaking training and assessment with Abbey College Australia. Staff and students will be expected to abide by its direction and intent.

Abbey College Australia Operations
Abbey College Australia has a Training and Assessment System that ensures:
- all trainers and assessors hold appropriate qualifications and relevant industry experience to deliver services to participants.
- all trainers and assessors are thoroughly familiarised with the procedures for Training and Assessment.

Promotion of Services
Abbey College Australia will not advertise any course as accredited unless it is approved under the ASQA Scope of Registration. We aim to promote our services in a clear and ethical manner.

Participant Admission
All courses delivered to international students are full-time and are not delivered either part-time or by distance education. All enquiries for course registration will be given full and equitable consideration. Applicants will be told if conditions of admission or pre-requisites apply to courses. Applicants who are accepted for courses will be required to complete a Course Application Form.

Some courses have more participants wanting to enrol than there are places available. The selection criteria are based on:
- age requirements (students must be 18 years or over to attend a VET course at Abbey College Australia
- ability to complete the course
- previous training and education and ability in English language, literacy as well as numeracy.
- relevant work/life experience - paid or unpaid - full time, part-time, casual or voluntary
- relevance of the course to your career plans
- identified program prerequisites/priorities

Applicants accepted for courses will be notified as soon as possible about their enrolment.

Package offers
Courses offered as a package are offered as one course and students pay only one administration fee. While students may be able to pay their tuition by instalments as indicated on their invoice, they are liable for the cost of the entire package once the offer of a place is accepted.

Examples of packages
- English course and Certificate III in Hospitality
- English course and Advanced Diploma of Hospitality Management
Fees

Prior to enrolment and or payment of any fee, students are advised to read and understand the Enrolment Policy and Procedures for Students, as well as the Terms and Conditions of Enrolment.

Tuition, other fees and charges are subject to review and/or change at Abbey College Australia discretion. Abbey College Australia will advise the students of these changes prior to enrolment.

Abbey College Australia’s disputes resolution process does not circumscribe the student’s rights to pursue other legal remedies and students have the right to take further action under Australia's consumer protection laws as:

- students are not permitted to transfer course fees to another student;
- should it be necessary for the student to repeat a course the full amount will be charged; and
- students that fail to pay their fees will:
  - be issued with a warning letter which may result in cancellation of their enrolment and notification to the Department of Immigration and Boarder Protection.
  - will not have assessments or exams marked, nor will they be allowed to graduate.
  - will be refused to re-enrol

Tuition, paying by instalments is conditional

- Students who pay their instalments late will have to pay AUD $50 penalty and not be allowed to enter classes and this may affect their visa status and lead to their visa being revoked.
- Abbey College Australia reserves the right to cancel an instalment payment and make the remaining fees for the whole offer due immediately.
- If a student applies to transfer to another provider the instalment plan will be cancelled and the outstanding balance of the invoice will be due immediately.
- Unpaid balance for an invoice may be referred to a collection agency.
- If you have any difficulties with payments, please consult a Student Officer in Administration.

**Recognition of AQF Qualifications Issued by other RTOs**

Abbey College Australia will recognise all AQF Statements of Attainments and Certificates issued by other Registered Training Organisations.

**Assessment Records**

All assessment results are stored both in a hard copy and electronically for 6 months after course completion. A copy of the qualification and the transcript issued is kept electronically for 30 years. Access to your records is available on request. There may be a cost involved in accessing your records once your course has been completed.

**Assessment You Will Need To Undertake**

Each Unit may require you to undertake one or more assessment tasks. Your assessment tasks may be practical tasks, written questionnaires, presentations (or role play), observations of your performance, projects, or other tasks appropriate to determine your competence in the Unit.

You must complete all assessment tasks by the due date. Assessment tasks may not be accepted after the due dates unless the Assessor grants an extension in writing.

**Assessment Prerequisites**

To undertake the assessment tasks, students will need to be capable of an independent level of written and spoken English and to present their work typed.

**Invalid Assessment(s) due to misconduct, irregularities or plagiarism**

Abbey College Australia’s assessment procedures and standards have two related goals:

- Giving participants comparable opportunities to demonstrate their abilities; and
- Preventing students from gaining an unfair advantage over others.

To promote these objectives, we reserve the right to cancel any assessment when, in our judgment, an irregularity occurs, or there is an apparent discrepancy in or falsification of an assessment taker’s identification, a test taker engages in misconduct or plagiarism, or the scores are believed to be invalid for any other reason.

When Abbey College Australia invalidates an assessment that has already been reported, the participant will be informed that the assessment has been invalidated. Abbey College Australia also reserves the right to suspend the student from the college and report the student to DIBP.

**Assessment Irregularities**

It refers to events that affect the administration of an assessment. When assessment irregularities occur, they may affect an individual or group of students. Such irregularities include, but are not limited to:

- Administrative errors (such as improper timing, improper seating, defective materials, or defective equipment, an unauthorised participation in assessment by a student);

- Improper or inadvertent access to or disclosure of assessment content involving individuals who cannot be identified; and

- Disruptions of assessment (such as natural disasters, emergencies or other incidents).
If an assessment irregularity occurs, Abbey College Australia may invalidate the assessment, or may cancel or withhold assessment results. Subject to Abbey College Australia policy and procedures, we give affected student/s the opportunity to take the assessment again.

**Misconduct**

When, in the judgment of Abbey College Australia or your assessor, there is misconduct in connection with an assessment:

- the student will be suspended,
- his/her assessment will be invalid and may not be marked, and/or
- Abbey College Australia may pursue other appropriate remedies.

Misconduct includes, but is not limited to, the following:

- any unauthorised participation in an assessment;
- any unauthorised access to or disclosure of assessment content prior to, during, or after the assessment;
- using any prohibited aids in connection with the assessment;
- engaging in plagiarism;
- leaving the assessment room without permission;
- attempting to remove from the assessment room, in any manner, any exam materials or notes relating to the assessment;
- attempting to give or receive assistance or otherwise communicate with another person during an exam.
- attempting to take the assessment for someone else;
- creating a disturbance;
- failing to follow any instructions given by the college or the assessor; and/or
- copying or attempting to copy all or any part of the exam paper.

Any unauthorised access, reproduction, distribution, or disclosure of the assessment activity before, during, or after a student take the assessment is also a violation of Abbey College Australia Assessment regulations.

**Re-Scheduling an Exam**

Reassessments will be conducted during term breaks and will normally attract a fee.

Reassessment fees must be paid prior to the event and receipts must be presented to the trainer/assessor conducting the reassessment for a student to be admitted.

If a student does not participate in a particular assessment due to a valid reason, they may request an alternative assessment date. If the rescheduling cannot be conducted during normal class time, a rescheduling fee may apply.

Examples of valid reasons include: medical problems, emergency situations or illness evidenced by a medical certificate that must state that the student was unable to attend class. Abbey College reserves the right to request evidence prior to re-scheduling the assessment date. The request must be presented to the trainer in writing one week prior to the requested re-scheduled date.

**Unit Failure**

A student may only be reassessed twice for any individual event. Second assessment is only available on appeal. Failing the second reassessment means that the unit involved is failed and the student must re-enrol in that unit at the first available opportunity. If this will affect the end date for course completion, a new eCoE may be issued.

EnrolmentSuspensionAppeal-Pending.doc form will be completed by the Course Coordinator.
Progressing to the Next Term
Students must pass at least 70% of the theory and 80% of their practical assessments each term before completion of the following term otherwise an intervention strategy will be enforced which may include a condition that an entire term be repeated or additional tuition.

Appeal’s Against not being Recommended to NAATI for Accreditation (PSP61012)
Students may only appeal the marks awarded by an Abbey College Australia marker/assessor. This should be done prior to recommendations being sent to NAATI. There is no local appeal against a mark awarded by a NAATI marker, and if this is the case of the student not being recommended for NAATI accreditation, there is no local appeal against that decision. However, the student may request a meeting with a trainer who can take the student through the errors they made in the exam.

All other appeals relating to assessments and grades for the Advanced Diploma of Translating follow the normal Abbey College Australia appeals process.

Marking
There are two ways you could be marked depending on the qualification you are being assessed for: Competent (C) or Not Yet Competent (NYC). You receive a Competent (C) grade only for the unit that you have successfully completed.

Recognition of Prior Learning (RPL)
If you consider you are already competent in specific Units of Competency you may be granted an exemption from undertaking the assessment, if your prior learning is relevant to the Unit:

- proof of subject-relevant formal training (conducted by industry or educational institutions in Australia),
- or work experience, undertaken in the last 2 years;
- submission of authenticated documents or samples of work demonstrating sufficient relevance and currency; and
- participation in an interview to ascertain current skills and knowledge.

Cost of RPL
- A non-refundable administration fee of $550 for each unit or module will be charged for assessing your portfolio.

Conditions Governing RPL
Overseas Students are able to apply for RPL with the following conditions:

- the student MUST still attend full-time study: Approved RPL does not necessarily shorten the length of a course or the hours of study. Students may be required to complete additional projects, holistic assessments and enrichment activities at Abbey College Australia so that their overall attendance remains a minimum of 20 hours per week for the duration of the course.
- if sufficient RPL is granted to the student prior to having their VISA granted, so that the duration of the overall course is reduced, this will be indicated on the Electronic Confirmation of Enrolment (eCoE).
- if RPL is granted to the student after having their VISA granted Abbey College Australia must report the variation in course length if applicable via PRISMS.

If you have successfully completed all the requirements for the course for which you were enrolled, Abbey College Australia will issue you with a Certificate or Advanced Diploma and with a transcript which will record your results in individual Units of Competency. If you lose your certificate or diploma testamur or Statement or Letter of Completion you can apply for a replacement one. There will be a cost for replacement of these documents.
Abbey Work Placement

Work Placement is part of the course requirement for some courses, such as Aged Care and Children’s Services courses. Abbey College Australia will assist students for work placement that may count towards their required coursework. Unrelated to this, Abbey College Australia may also assist students to gain relevant experience as part of their trade recognition assessment. Generally, these placements are unpaid AND DO NOT COUNT towards the hours of work for trade recognition purposes.

Qualifications and Statements of Attainment

Abbey College Australia will within 30 calendar days of a student’s course completion, issue and provide a AQF qualification or a statement of attainment to the individual student or to their nominated representative who:

- has finished the whole qualification and/or at least one unit of competency;
- does not have any outstanding fees;
- provided a USI or consent to the college to apply for USI on their behalf; and
- has completed a “QFRMS1506_Student Course Completion Request Form”.

If the student has an outstanding financial account, Abbey College Australia will not issue a qualification or statement of attainment to you unless the outstanding amount is paid. If a student does not make a full payment within the next 20 working days from the notification date, Abbey College Australia will terminate your enrolment without issuing a qualification or statement of attainment. A $300 penalty fee plus the outstanding fee will apply to those who do not make the full payment within the 20 working days for any qualification or statement of attainment that is required after that date.

If a student does not pick up their qualification or statement of attainment within six months of the document being issued, it will be securely destroyed. If after six months and you now require Abbey College Australia to re-issue your qualification or statement of attainment, it will be subjected to a $50 service fee.

Complaints, Grievances and Appeals

Abbey College Australia is committed to:

- a request for a review of decisions and respond to allegations involving:
  - our academic, administration or management staff;
  - our services or a third party providing services on our behalf; and/or
  - one our students.
- reassure students that any disputes or grievances will be taken seriously, handled professionally and confidentially in order to achieve a speedy resolution;
- ensure that students have a clear understanding of the steps involved;
- inform our students of their right to take their complaint to an arbiter if they wish to do so;
- provide students with contact details of public and/or independent arbiter; and
- inform our staff of the Complaints and Appeals Policy and Procedures to assist the students with their concerns.

Informing the Student

We publish our complaints and appeal policy and procedures in this student handbook and this is available on our website. Trainers will also go over these policy and procedures during our students’ orientation.
Procedures for Complaints and Appeals

**Procedures**

**Step 1: Collecting information**
- Students and prospective students are encouraged to communicate their concerns.
- Verbal comments or concerns should be recorded. Abbey College Australia staff should encourage any student if they have a concern to lodge a formal complaint by completing the "QFRMS01503-Student Concern Form".
  - However, students have the right to stay anonymous if they are only making a comment. E.g. a comment is where a student may raise a verbal issue such as bad smell or a cold classroom but they may not wish to make a formal complaint. Staff shall record their concern and raise it in the next staff meeting without mentioning the student’s name unless the student has given consent.
- A copy of the completed form shall be returned to the individual who completed the form as part of the acknowledgement process.
- Staff receiving the complaints or appeal should treat the compliant with integrity and privacy.
- There is no cost for the complaints and appeals process unless it is referred to a third party.
- Students will be advised that they can have a friend/support person with them at any time during any interview or when they present their case.

**Step 2: Processing the information**
- Academic appeals will be reviewed by the Course Coordinator and Vocational Training Manager for corrective and preventative actions as well as for continuous improvement.
- Non academic complaints are reviewed by the Business Manager, CEO and administration team for corrective and preventative actions as well as for continuous improvement.
• A complaint can be directed to the CEO immediately if there is a conflict of interest or the complaint is related to a manager’s conduct.

Step 3: Further investigation
• The complaint will be investigated by the appropriate staff member. They may be required to arrange two separate interviews with the person making the complaint and the person the complaint is about.
• Staff shall respect the rights of our students, staff and others when inviting the students and their friend/support person to prepare their evidence and to respond to arguments presented by the opposite side.
• The investigation of a complaint or appeal will commence within 10 working days of the complaint or appeal being lodged with Abbey College Australia.
• During this time, a student’s enrolment will be maintained and a student is requested to attend classes and submit assessments as required.

Step 4: Making a decision
• Staff must ensure that the principles of natural justice and procedural fairness are adopted at every stage of the complaint and appeal process by considering a fair and unbiased procedure when making decisions.
• The complainants must be given a written statement of the complaint or appeal outcome, including reasons for the decision.
• Any decision and/or corrective and preventative action will be implemented immediately.
• A copy of the completed form and decision will be maintained on the student’s file.
• Regardless of outcome, all parties are to be notified of the outcome as soon as possible but no later than 60 days.
• We will provide a written explanation to the student, if the matter is not resolved in less than 60 days.
• If the matter is not resolved internally, the student shall be advised to contact an independent mediator (such as LEADR & IAMA [www.leadriama.org]) or a government agency such as National Training Complaints Hotline, International Student Ombudsman or ASQA.

Independent Mediator
• If the Complainant is not satisfied with the outcome of their appeal and then an independent mediator will be sourced by Abbey College Australia through LEADR, the Association of Dispute Resolvers. Complainants may request that their grievance is referred to the independent mediator by completing a student request form within 10 days of receiving written notification of the result of the appeal to Abbey College Australia.
• Costs of such mediation will be shared equally by Abbey College Australia and the Complainant. As a guide mediator’s costs would be $385 for the first four hours (or part thereof). Subsequent hours would be $137.50 per hour. It is common for most disputes to be resolved within the initial four hour allocation.
• Alternatively an overseas student may lodge an external appeal by contacting the Overseas Students Ombudsman.
• The Overseas Students Ombudsman offers a free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their training provider. Refer to the Overseas Students Ombudsman website [www.oso.gov.au] or phone 1300 362 072 for more information.
• Remedial action:
  o Abbey College Australia will give due consideration to any recommendations arising from the external review of the grievance within 30 days of receipt of the recommendations.
Student Orientation

Induction Session
At the start of each course, Abbey College Australia runs an Orientation Program for all new international students. It will be conducted during your first class. It is about making friends, having a good time, and finding the information and skills you need to succeed.

It will cover things like:

- the Academic Calendar, number of study terms, and length of terms.
- scheduling of assessments.
- attendance and Code of Conduct requirements.
- our amenities and staff.
- the local area.
- your rights and responsibilities.
- grievance and appeal procedures.
- information on the qualification for which you have enrolled.
- options for further study.
- discussion of issues you may have.

Prior to your arrival to Australia:
If you have any problems finding either short or long-term accommodation on arrival you can contact your Abbey College Australia Administration. We are able to give advice on your options, including information about the different accommodation options available.

Homestay: This option offers a safe, secure and friendly family environment and is great for students who wish improve their English and find out more about the Australian culture.

Hostels: Hostels provide single and shared accommodation including meals and facilities such as recreation areas and laundry facilities. These may vary in each hostel, but most include servicing of rooms. Staying in a hostel gives students the opportunity to make contact with students from other cultures.

Part board: This is a more economic option in which a furnished room is provided. Students must provide their own meals and do their own laundry, cleaning etc.

Renting/leasing: This option is for students who wish to organise their own place to live. You could be living alone or with a couple of friends. In most cases the properties are unfurnished, and you must provide everything. You lease the entire property and are responsible for the rent and all related expenses.

Exemptions from the USI

The Industry and Skills Council of Ministers has determined a range of exemptions from the Unique Student Identifier (USI) scheme and a consequential amendment to the National VET Provider Collection Data Requirements Policy.

Where an exemption applies:

- training organisations will be able to issue VET qualifications or statements of attainment to students who do not have a USI; and
- will not be required to include a USI in respect of those students in any submission of AVETMISS compliant data to the National VET Provider Collection.

Exemptions for Training Organisations

Training organisations exempted by their Regulator from the need to collect and submit AVETMISS compliant data on nationally recognised training activities on the grounds that submission of such data:

- would conflict with defence or national security legislation; and/or
- could jeopardise the security or safety of defence, border protection, customs, national security or police personnel will continue to be exempted from the submission of AVETMISS compliant data and will not be required to participate in the USI scheme.

Training organisations exempted by their Regulator from the need to collect and submit AVETMISS compliant data on nationally recognised training activities on the grounds that doing so would adversely affect their ability to continue to deliver vital community services to the Australian community are exempted as follows:

- for training delivered before 1 January 2016, in respect of all nationally recognised training activity;
- from 1 January 2016, the exemption from the USI and AVETMISS reporting will apply only in respect of training activity not delivered on a fee-for-service basis. Therefore, these training organisations will be required to submit AVETMISS compliant data and participate in the USI scheme in respect of all nationally recognised training delivered on a fee-for-service basis. This will ensure that competitive neutrality applies to registration requirements for training organisations. To give effect to this arrangement the National VET Provider Collection Data Requirements Policy has been updated.
- for training activity before 1 January 2016, training organisations delivering single day training courses will be permitted to issue a VET qualification or a VET statement of attainment to students who have not been able to provide a USI before completion of training. This transitional arrangement is intended to give training organisations specialising in this type of training activity time to develop their business processes and will be expected to participate fully in the USI scheme from 1 January 2016. However, during 2015 these training organisations must still:
  - record and verify a USI where it is provided by the student before completion of training; and
Exemptions for Individuals

Exemptions are provided for an individual where:

- The individual is an offshore international student studying outside of Australia:
  - this means that international students who are enrolled with an Australian training organisation but are not in Australia while undertaking their training do not require a USI in order to receive a VET qualification or statement of attainment. However, training organisations will still be required to submit AVETMISS compliant data in respect of their offshore international students; and
- The individual has completed the requirements for a VET qualification or statement of attainment prior to 1 January 2015:
  - this means that individuals who have completed all the requirements for a VET award by 31 December 2014, but did not receive that award in 2014, do not require a USI in order to be issued with a VET qualification or statement of attainment after 1 January 2015.

In addition, individuals who have a genuine personal objection to being assigned a student identifier will be able to apply for an exemption to the Student Identifiers Registrar.

National VET Provider Collection Data Requirements Policy – Amendment

The Industry and Skills Council of Ministers has updated Section 4 of the June 2013 National VET Provider Collection Data Requirements Policy as follows:

You can only ask to see documents which may contain the information you are seeking. Work Health and Safety

Abbey College Australia has a duty to ensure the health, safety and welfare of all employees, students and visitors. At enrolment you will be informed of any course requirement that you provide and wear protective clothing and
equipment. During an orientation session on your first attendance you will be given information on what to do in case of an emergency or if you are injured and require first aid.

You must not interfere with or misuse anything provided for you in the interest of health and safety. You should report any safety issues or concerns to your teacher or campus staff as soon as possible. You are also required to take responsibility for your own health and safety and that of the equipment provided to you.

If your course leads to a career with specific WH&S requirements, these will be taught as part of the curriculum.

**ESOS ACT Requirements**

**Overseas Student Health Cover**

All international students are required to take out Overseas Student Health Cover (OSHC). Students must register with a health care provider.

**Deferment, Suspension or Cancellation during Enrolment**

**Prior to Commencement of Course**

Students on a student visa are not permitted to defer the commencement date of their course unless on grounds of medical reasons (illness), or other exceptional circumstances beyond the students control e.g. weddings or festive occasions are not normally acceptable reasons. Any doctor’s medical certificates must state the reason of illness and the date range of absence (backdated certificates cannot be accepted).

**Deferment after Commencement of Course**

Students on a student visa are permitted a temporary break in their studies or to defer their course but only on compassionate grounds (e.g. due to the student suffering a serious illness, or the death or life-threatening illness of a close family member). Documentary evidence is required to support any break or deferment application.

Students must specify in writing the duration and reason for the deferral. If approved, Abbey College Australia will enter a Student Course Variation via the PRISMS System. Visa cancellation may be initiated by DIBP if the deferral is for more than one semester. You can get the Request for Deferment Form from administration or the back page of the Student’s Handbook (on our website).

**Deferment Application Conditions**

- A $300 non-refundable application fee applies irrespective of outcome.
- Students must pay all outstanding fees prior to approval of this application.
- Abbey College Australia may transfer you to a different classroom or a different intake group, and may need to extend your electronic Course of Enrolment.
- Students may be required to **pay for one additional term** and restudy the term they have missed.
- If the reason for deferral includes any overseas travel, or medical reasons, proof of travel and medical certificates is required.

Deferment may also be initiated by the college due to suspension (e.g. for misbehaviour). Students have 20 days to lodge a complaint in this instance for any such decisions using Abbey College Australia’s internal complaints process.
It may be necessary for the college to issue a new eCoE with a more appropriate end date as a result of the break, suspension or deferment in the course. Abbey College Australia must inform DIBP through PRISMS. Breaks, suspensions or deferments may also affect the student’s visa.

**International Student Visa Requirements**

International students are required to remain with the same education provider with whom they originally enrolled for at least, the first 6 months of the course (or the duration of the course if it is less than 6 months).

Where a student undertakes a prerequisite course prior to commencing their principal course they must complete the prerequisite study and 6 months of the principal course before changing provider.

**Student's Australian Residential Address Requirements**

All international students are required to provide and keep Abbey College Australia updated of their Australian residential address within seven (7) days of arrival in Australia and any subsequent change of residential address must also be notified to your college within seven (7) days.

**Note:** You are required at all times to provide and keep Abbey College Australia informed of your current residential address details, email address and telephone number. Notification of Change of Address Forms are available administration and you must notify any changes in address and contact details as soon as possible and within seven (7) days.

**Meeting Course Requirements**

All student visa holders are required to meet course requirements. Students on a Student Visa may not repeat a unit of competency more than once. For persons granted a student visa on or after 1 July 2007 all overseas students are required to achieve satisfactory progress of each term or semester period. Any student who does not reach at least competence in 50% of their course requirements for two consecutive terms will be automatically reported to DIBP and this will usually result in the cancellation of their student visa. Students are expected to complete their eCoE within the start and end date of their eCoE.

**Commencement**

Students who arrive more than one week after the commencement date for a vocational course will normally have their offer or place cancelled. They may be offered a place in the next available course and, if necessary, a new eCoE will be issued.

**Visa Cancellation**

Mandatory cancellation of student visas will occur when a student visa holder is assessed as not complying with the requirements of their visa conditions relating to meeting course requirements. Visa cancellation can mean detention, removal from Australia and a bar on applying for other visas, other than a Protection Visa. Please refer to the DIBP website for further information.

Current visa conditions that international students must:

- study full-time whilst in Australia;
- satisfy course progress requirements;
- maintain a valid enrolment with the chosen provider;
- notify of any change of address within seven days;
- have sufficient funds to cover tuition fees and living expenses whilst in Australia;
- not work more than 20 hours per week during the semester;
- maintain a valid Overseas Student Health Cover;
• inform DIBP of any change in their student status;
• inform DIBP if they withdraw from the course they are enrolled in; and
• extend their student visa before it expires (if applicable).

Attendance
Students who are in Australia on a student visa are required to undertake at least 20 hours of tuition per week. Australian student visa regulations stipulate that ELICOS students are required to attend a minimum of 80% of scheduled classes and also make satisfactory academic progress. Visa regulations also mean that students must make satisfactory course progress.

Illness or other excused absences must be supported by documentary proof. These should be submitted as soon as possible after the absence.

Medical Certificates may not be accepted if submitted after the first class the student attends following the illness. Medical Certificates must include the date seen by the doctor, the student’s name, the length of time the student will be unable to attend class, the doctor’s name and registration number, their qualifications and contact details.

Unsatisfactory progress is defined by Abbey College Australia as not successfully completing or demonstrating competency in at least 50% of the course requirements in that study period.

A “QFRMIS01509-Intervention First Letter” will be sent to the student making unsatisfactory progress and they may seek counselling by the Student Support Officer or Course Coordinator.

Reporting Procedures and Academic Progress
Abbey College Australia is required to report to DIBP about non-compliance with course requirements. Abbey College Australia will monitor the students to ensure that they complete their course within the duration of their eCoE. Abbey College Australia will implement appropriate intervention strategies to identify and inform students who are at risk of not meeting satisfactory course progress which may include:

• additional tuition;
• repeating a unit or an entire term of study;
• increased study load; and/or
• reassessments and additional assessments.

To ensure reporting is consistent and accurate Abbey College Australia adopts the following procedures:

• Students can access an unofficial transcript informing them of their academic progress and fee payment status by completing an Action Request Form.
• Attendance and grades for each term are provided to the student during the first week of the next term to enable students to check their attendance and academic progress.
• Students who receive notification through an Intervention warning letter about any irregularities for Code of Conduct, attendance, academic progress or outstanding fee payment must immediately contact a Student Services Officer or the Course Coordinator to resolve these irregularities.
• Students who do not resolve the academic irregularities are issued with a final warning letter at the end of the term. The student will have 20 days from the date of assessment marked in which to lodge an appeal.
• Students who fail to resolve non-attendance problems or satisfactorily address poor academic progress after the final warning letter (“QFRMIS015010-Notification Intention to Report for Unsatisfactory Progress”) has been sent will be reported to DIBP via the PRISMS system.
Absenteeism

- Students who are absent on the date of major assessments must notify Abbey College Australia of their inability to attend prior to the assessment time. A medical certificate must be supplied if a student is absent for medical reasons as soon as possible and on or before the first class after the illness.
- Students who know in advance that an assessment date cannot be met, must inform the member of staff responsible for setting the assessment who may then organise another assessment and inform the Course Coordinator. The Course Coordinator may organise a time for any extra assessments and/or re-sit exams. Generally extra examinations or assessments will be conducted during or prior to the first week of term break.
