RTO DEFAULT

- Under the Tuition Protection Service (TPS) framework, if Abbey College is unable to full its obligations to complete a course. The TPS framework will facilitate the placement of students in the first instance, and where this is not possible, provides a refund of unexpended tuition fees (i.e. tuition the student has paid for but has not been delivered by the provider).
- Abbey College defaults if the course they offer does not start on the agreed starting day.
- Abbey College defaults if the course stops being provided after it starts and before it is completed, or the course is not provided fully to the student because the registered provider has had a sanction imposed.
- If Abbey College defaults, Abbey College will refund to the student within 14 days after the default day and receipt of your Refund Application Form.
- Abbey College will give the student a statement that explains how the refund amount has been worked out. Abbey College dispute resolution processes does not circumscribe the student's right to pursue other legal remedies.
- This agreement and the availability of complaints and appeals processes does not remove the right of the student to take action under Australia's consumer protection laws.
- The Standards for RTOs require the Institute to inform students considering enrolment of their right to a statutory cooling off period. A statutory cooling off period (which is 10 days) is a period of time provided to a consumer to allow them to withdraw from a consumer agreement, where that agreement was established through unsolicited marketing or sales tactics. These include tactics such as door-to-door sales and telemarketing. A statutory cooling off period allows a consumer to withdraw from a sales agreement within 10 days of having received a sale contract without penalty. It must be noted that our Institute does not engage in unsolicited marketing or sales tactics and therefore a statutory cooling off period is not applicable to our students who have enrolled into a course. For refund options in other circumstances, students must refer to the refund policy.
- The refund policy is subject to review from time to time.
- The Institute recommends that you read the ESOS Framework Information, which provides legislative protection for International students, available at:
<https://internationaleducation.gov.au/regulatory-information/pages/regulatoryinformation.aspx>

There are no Third Party arrangements with the delivery of courses at Abbey College. Abbey College is solely responsible for the delivery of all courses and for the issuance of their certifications. Abbey College is also solely responsible for its compliance.

Students are required to attend the orientation session. Our Vocational Course's Orientation session is usually held on the Thursday prior to the course commencement date and starts at 9.00 am.

ATTENDANCE, TRAINING AND ASSESSMENT AND COMPETENCY EXPECTATIONS

The duration of each of your course are set out on the 1st page of this offer letter. The 20 training hours includes 15 hours face-to-face study and 5 hours online self-paced study. Face-to-face study will be conducted at campus, 770 George St, Sydney NSW 2000. The 20 training hours are recorded and monitored by Abbey College Australia to assess students' attendance.

Detail timetable for the corresponding course will be given at the orientation day. Students must participate in scheduled classes in accordance

with course timetables to make satisfactory course progress at all times, and if they do not satisfactorily progress in their course, they will be in breach of a condition of their visa. Students are expected to attend classes regularly to maintain satisfactory (50%) course progress and satisfactory (80%) attendance each term. Abbey College Australia may adjust/shorten the duration of the course of an overseas student if that student already has the skills and knowledge to complete assessment without attending training.

ASQA may, at any time, require a training provider to implement policies and procedures to monitor minimum attendance requirements and if students don't meet these requirements, they will be in breach of a condition of their visa. The Department of Home Affairs may cancel a student's visa if they fail to maintain their enrolment.

OVERSEAS STUDENT HEALTH COVER (OSHC)

All International Students are required to pay Overseas Student Health Cover (OSHC) and maintain cover for the full length of their visa. It is also the

COMPLAINTS AND APPEALS POLICY

Students have access to a Complaints and Appeals procedure if they feel they have been unjustly treated or have a serious complaint.

Students who feel they have any type of complaint should first contact the Administration Manager. If necessary, the complaint will be referred to the Principal Executive Officer in order to resolve the situation. A student dissatisfied with an activity or a decision regarding their academic outcomes can voice their concerns to the staff member concerned and, if appropriate, appeal to the Principal Executive Officer. If students are still dissatisfied with the outcome of the complaint/grievance/appeal then students may lodge an external appeal or complain about the decision with the Overseas Students Ombudsman. The Overseas Students Ombudsman offers a free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider. See the Overseas Students Ombudsman website: <http://www.ombudsman.gov.au/about/overseas-student-ombudsman-landing-page> or phone 1300 362 072 for more information.

Abbey College Australia's disputes resolution process does not circumscribe the student's rights to pursue other legal remedies.

Students who feel that they are being sexually harassed or are the victims of any sort of racism should initially contact the Administration Manager. If the complaint is sufficiently serious, the Principal Executive Officer may establish a formal inquiry and/or refer to external authorities.
